

Hello everyone,

As submissions for festival celebration continue to come in, we would like to remind interested participants about a few things.

1-As you send in items, keep the festival theme in mind. There is no country like India when it comes to the cultural diversity. At our festival, we would like to give a glimpse of everything that encompasses our culture from classical to folk and, of course, the ever popular contemporary/bollywood.

2- Items will be considered on first come basis. We are not looking at repeating any songs/items, so it is important that you reserve your song early. Even if you have not yet started the preparation, email us your idea.

3-Submissions by paid temple members will be given preference.

4- Send in any questions or all the required information by June 20 to both email addresses -

Vandita - [vanditaprasad@yahoo.com](mailto:vanditaprasad@yahoo.com)

Sumitra - [mandaveli@gmail.com](mailto:mandaveli@gmail.com)

1. Name of item (song, skit, dance etc)
2. Short description of the item
3. Approximate time duration

Don't miss this opportunity to showcase your talent. Come forward and let the community see the dancer, actor, choreographer, and/or musical side of you!
