

Membership Application Form for 2006

The Hindu Temple of Toledo is soliciting membership renewal from past members and encouraging those who have never been a member, to sign up for membership. The ability and privilege to worship at the temple are available to all members in the community, irrespective of whether one is a paid member or not. However, in order to conduct the various religious and cultural activities, education to the members and their children and to pay for building maintenance the temple is dependent entirely on voluntary financial support from it's membership. One very important source of funds is your annual membership fee which may be tax deductible.

The Hindu Temple of Toledo welcomes membership from every cross-section of the society. The only expectation from those interested in becoming a member is a respect for the Hindu Philosophy and the Hindu way of life.

Membership Benefits
